DOCKET NO. 95-1246-C- ORDER NO. 2000-837

OCTOBER 11, 2000

IN RE: Application of Xtracom, Inc. For A) ORDER
Certificate of Public Convenience and) APPROVING CHANGE
Necessity to Provide Intrastate Resold) OF NAME AND
Telecommunications Services within the) AMENDING
State of South Carolina.) CERTIFICATE

This matter comes before the Public Service Commission of South Carolina (the “Commission”) by way of an Application filed by Xtracom, Inc. (“XtraCom” or the “Company”) which notified the Commission of a Stock Purchase Agreement whereby Xtracom will become a wholly-owned subsidiary of Blue Shift Telecom, Ltd. (“Blue Shift”)

A review of the Application reveals that Blue Shift is purchasing all of the outstanding shares of Xtracom's common stock which will result in Xtracom becoming a wholly-owned subsidiary of Blue Shift. Following the transaction, Xtracom will change its name to Blue Shift but will continue to operate in all respects as Xtracom operates currently. As the Commission does not require approval of stock sales, the Commission finds that the Application should be treated as a request for a name change. Xtracom has filed with the Application an “Application for an Amended Certificate of Authority by a Foreign Corporation to Transact Business in South Carolina” from the South Carolina Secretary of State’s office which reflects the change in name to Blueshift.

Accordingly, and upon consideration of this matter, the Commission finds and concludes that the Certificate of Public Convenience and Necessity granted to Xtracom should be amended to reflect the Company's new name. The Commission grants the following name change:

FROM: Xtracom, Inc.

TO: Blue Shift Telecom, Ltd.

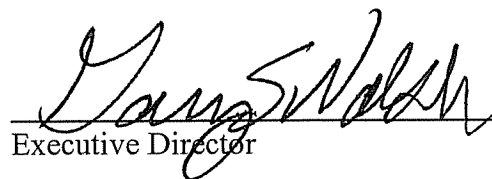

The Commission's records will hereby reflect the modification of the name of the Company.

IT IS SO ORDERED.
